CERTIFICATE OF ACKNOWLEDGMENT

STATE OF KENTUCKY)
COUNTY OF JEFFERSON)

I, Kay L. Blan, a Notary Public in and for the County aforesaid do hereby certify that the foregoing plat of Spring Creek Subdivision Sec 2 was this day presented in me by R. Frank Taylor BROWNSBORO WOODS PARTNERSHIP known to me, who executed the Certificate in my presence and acknowledged it to be his free act and deed.

Witness my hand and seal this 20th day of July 1993

My Commission expires: 11th day of December 1996

Kay L. Blan
Notary Public

CERTIFICATE OF APPROVAL

Approved this 28th day of October 1993

LOUISVILLE AND JEFFERSON COUNTY PLANNING COMMISSION

Charles Davis

CERTIFICATE OF RESERVATION OF ELECTRIC & TELEPHONE EASEMENTS

The spaces outlined by dashed lines and marked "electric and telephone easement" are hereby reserved as easements for electric and telephone utility purposes, which include: (1) the right of ingress and egress across all said land, access points, and ways to and from the easements; (2) the right to cut down or trim any trees within the easement; (3) the right to trim or cut down any trees outside easement and within 10 of the closest conductor within the easement or a service wire; (4) the right to cut down or trim any trees or similar property that may be so defective as to pose a hazard to the utility lines and/or telephone cables on the property owner; (5) the right of any utility company using said easement to remove permanent trees, lines or obstructions within the easements, but permanent structures shall be erected within the easement. Fences, sidewalks and pavement may be/are reserved/allowed across all property owner's risk. The agreement to remove all trees shall not interfere with the original construction of the electric lines and telephone lines to serve this subdivision.

(a) All property owners electric utility service lines shall be underground as locations determined by Louisville Gas and Electric Company (hereinafter L.G.&E.). Transformers (when commercial source of service lines to customer) (hereinafter) and pole mounted shall remain in place and cost of installation and maintenance thereof shall be borne by owners to be served or owners upon whom the said service are imposed.

Underground easements are hereby dedicated and reserved to each property owner, coincident with the plans existing and future, over all portions of the property in which service and metering electric service lines of L.G.&E. & Transmission mains (electric service lines) as indicated shall determine the exact location of said easements.

(b) The electric and telephone easements shown on this plat shall be maintained and preserved in their present condition and no encroachments (trees and no shelter in the event of elevation thereof shall be made in any manner or any owner without the consent in writing of the Louisville Gas and Electric Company and South Central Bell Telephone Company).

(c) Easements for overhead electric transmission and distribution feeder lines (main and mainframe) appropriate in connection therewith are reserving over across and under all street indicated here. Open and concealed under streets (main) indicated by dash lines are designated for underground and overhead services.

Where overhead electric transformers and peripheral main or laterals of appropriate points in any electric equipment.

In consideration of L.G.&E. granting service to the property shown on this plat and of it relying the right to make further extensions of its lines from its overhead and underground distribution lines.

(d) Some street lighting fixtures and peripheral may be installed at open-ended points in any telephone easement.

NOTE

Also the right to overhead and underground service wires at some subdivision unit.

CERTIFICATE OF RESERVATION OF SANITARY SEWER AND DRAINAGE EASEMENTS

An easement for sanitary sewer and drainage purposes is hereby reserved on, over and under the lands of land and streets as defined and bounded on dashed lines marked "Sanitary Sewer and Drain Easement" coincident with the rights of ingress and egress over said land to and from the easements for construction, operation and maintenance of sewers and drains over said lands, but permanent structure of any kind is to be erected on, over or under the land which is subject to said easements. The easement shall be for the benefit of the land in the subdivision and other land which includes ground sewers, and said sewers and drains may be constructed by the Louisville and Jefferson County Metropolitan Sewer District, or any other public agency having sewer system jurisdiction for such construction, or by others subject to approval by the aforesaid Sewer District.

OWNERS: K. Frank Taylor
BROWNSBORO WOODS PARTNERSHIP

CERTIFICATE OF RESERVATION OF GAS EASEMENT

The spaces outlined by dashed lines and marked "Gas Easement" are hereby reserved as easements for underground gas lines and appurtenances thereto including the right to construct, maintain, operate, repair, remove such underground gas lines and appurtenances, and the right of ingress and egress over said land to and from the easements and the right to cut down any trees within the easement that may interfere with the installation or operation of the lines. No permanent structure shall be erected within the easement. Any and all trees and/or shrubbery of certain may remove immediate structure or obstruction within the easement. Fences, sidewalks and pavement may include easement area by the property owner's risk.

The property owners agree that repair, maintenance, and all costs in connection with the Gas and Electric Company shall (L.G.&E.) accept no responsibility for any damage to trees, shrubbery and flowers that may be damaged during the repair, maintenance and replacement of gas lines. Gas Company shall ensure that the cost of installation and maintenance of gas lines shall be borne only with the respective property owner upon which the gas lines are located.

Appropriate easements are hereby shown and reserved to each property owner, coincident with the rights of ingress and egress, shipping lots or properties for gas lines and electric lines as indicated by dash lines and designated.

CERTIFICATE OF RESERVATION OF DRAINAGE RETENTION BASIN EASEMENT

Easements for drainage and pedestrian pathways are hereby reserved on and over the land and streets as defined and bounded by dashed lines, marked "Drainage Retention Basin Easement" coincident with the right of ingress and egress over said land to and from the easements, for construction, maintenance, replacement and reconstruction of retention basins and other drainage improvements. No permanent structure of any kind shall be erected on or over the land within said easements except for drainage structures determined and specified therein. The easements shall be for the benefit of the land in the subdivision and additional drainage improvements may be constructed by Louisville and Jefferson County Metropolitan Sewer District, Jefferson County, or by any other public agency having jurisdiction for such construction, or by others subject to approval by Jefferson County Works Department. Said said easement areas are accessible for maintenance by said Sewer District, Jefferson County, or another responsible public agency, said areas shall be maintained by the owners of the subdivision fee simple title.

OWNERS: K. Frank Taylor
BROWNSBORO WOODS PARTNERSHIP

PROPERTY OWNER'S OBLIGATION

Certain improvements in this subdivision are required by the Metropolitan Subdivision Regulations as specified by an approved construction plan on file in the office of the Director of Works. It is the obligation of every property owner in the subdivision not to alienate, alter or destroy these improvements and not to allow any violation of activity on his property that will impair the proper functioning of these improvements. For violation of this provision, the property shall be subject to the imposition of a lien on the property sufficient to remedy the violation, which may be enforced in the same manner that mechanics are enforced, and persons responsible shall be subject to fine.

NOTICE OF BOND REQUIREMENT

Prior construction approval and release of the undersigned subdivider's bond by the Louisville and Jefferson County Planning Commission, the owner of any lot may be required to post a cash bond in the amount of $100.00 as a condition of obtaining a building permit pursuant to Section 3.10 of the Metropolitan Subdivision Regulations.

CERTIFICATE OF RESERVATION OF WATER LINE EASEMENT

Permanent easements for water mains and appurtenances are hereby reserved on, over, under and across the strips of land as defined and bounded by dashed lines marked "Louisville Water Company Easement" coincident with the right of ingress and egress over said land to and from the easements for construction, reconstruction, maintenance and relocation of water mains. No permanent structure of any kind shall be erected on the strips of the surface of the land contained within the said easements without written consent of Louisville Water Company. Fences, sidewalks and pavement may include easement area at the owner's risk. Temporary rights are hereby reserved to use land adjacent to the aforesaid easements for the storage of materials and movement of excavated earth, rock, construction materials, tools, and equipment during construction of said water lines.
